Carol Ann bracelets are being sold as a fund-raiser for cancer awareness. Wearing the bracelet acts as a visible symbol of hope for all with cancer and our fight against this disease. The bracelet is a reminder to take care of ourselves with regular medical check-ups and self examination, as well as a sign of support for all affected by cancer.

There are different stories for everyone who will purchase this bracelet but the battle is the same; that's why we would like to invite you to join us in acceptance, empowerment and joy in the spirit of giving.

All proceeds will be donated to cancer awareness and research institutions.

With Heartfelt Joy in the Spirit of Giving
